Student Induction Program 2018-19 Rewa Engineering College (7th Aug 2018 --- 18th Aug 2018)

AICTE in its 49th meeting of the Council held on l4th March, 2017 approved a package of measures for improving quality of technical education in the country wherein it was decided that every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and the required language skills required for the technical education. Its purpose is to make the students feel comfortable in their new environment, set a healthy daily routine, create bonding in the batch as well as between faculty and students. The induction program is now a part of the model curriculum of Undergraduate Studies in Engineering & Technology.

As per the AICTE mandates and TEQIP guide lines for the newly enrolled B. Tech 1st year students of Rewa Engineering College, the Student Induction Programme was scheduled to be conducted from the very first day of their technical college life. For the smooth conduction of the induction programme a seven member committee was formed. Dr. D. Shukla welcomed the enthusiastic newcomers and interacted with them explaining wide aspect of studentship and engineering. Later, they were briefed about the induction programme by the organizing team.
